Many thanks to all who contributed to a fantastic 6 week holiday taking in 2 enduromanias. Special thanks to Sergio, Semina, Gabi and Sanddhu as well as all the fantastic kitchen staff. Also a huge mention to Peter (Swiss) who is now a fully adopted Scotsman - please keep in touch buddy. Big up to the Danish crazy men for organizing the events on Friday and for their all round lunacy - hope to go riding with you guys next year. Finally please do not change anything about the format of Enduromania - it is perfect and i for one along with the Scots will pay homage year after year. Better get back to work as I have an 800 Euro repair bill to pay off on my YZ250.

Adios amigos - stay in touch.

Stewarty.
